

## FLBC Code of Ethics

- I hereby pledge to make the sports experience a positive one for all those involved by following this Code of Ethics Pledge.
- I will demonstrate and encourage good sportsmanship by providing positive support for all players, coaches, and officials at every game, practice, or other sporting event.
- I will place the emotional and physical well-being of all players ahead of any personal desire to win.
- I will insist that all players participate in a safe and healthy environment.
- I will treat each player as an individual, remembering the large range of emotional and physical development for the same age group.
- I will demand a sports environment for all players that is free of drugs, tobacco, alcohol, profanity and emotional stress, and will refrain from their use at all sports events.
- I will do my very best to make sports fun for all those involved.
- I will treat all players, coaches, fans, and officials, with respect regardless of race, sex, creed, or ability.
- I will expect that all players receive a fair amount of playing time in all games and practices.
- I will make an effort to be knowledgeable about the sport and learn the rules of the game.
- I will lead by example in demonstrating fair play, sportsmanship and self discipline.
- I understand that failing to abide by this Code of Ethics could jeopardize my/my child's opportunity to participate in the program and could create a situation where I will be prohibited from attending future practices and/or games.
